

## Momentum Newsletter

June 26, 2025 – August 1, 2025

It's been a busy and impactful month as we've tackled key issues head-on. We've doubled down on our fight for good governance and transparency, proposing new laws to audit politicians' wealth and filing an FOI to uncover developers' influence on planning legislation.

We've also been on defending our environment and quality of life, from condemning the sanctioning of illegalities at Montekristo to challenging attempts to limit the public's right to appeal planning decisions and launching a parliamentary petition to curb disruptions from tourist rentals.
