

Momentum Newsletter

November 14, 2025 – December 11, 2025

In this edition, we cover Momentum's recent political breakthroughs and vigorous advocacy. Key stories include the election of our General Secretary to the European Democratic Party, our persistent fight for government transparency: from exposing the Ta' Qali gravel scandal to demanding accountability on the Marsaskala project. Additionally, we detail our continued opposition to unsustainable development in areas like Ħaż-Żabbar and Comino, alongside our commitment to social justice and improving public transport infrastructure.
